<sup>1</sup> These jointly administered cases are those of the following debtors: Garlock Sealing Technologies LLC; Garrison Litigation Management Group, Ltd.; and The Anchor Packing Company.

WHEREAS, the Debtors are and will be subject to thousands of claims for personal injury or wrongful death alleged to have been caused in whole or in part by exposure to asbestos or asbestos-containing products for which one or more of the Debtors are alleged to be legally responsible (“Asbestos Claims,” as defined in the Motion); and

WHEREAS, the Debtors are subject to thousands of pending Asbestos Claims that have not been prosecuted for a number of years; and

WHEREAS, all Asbestos Claims are scheduled as disputed, contingent, and unliquidated, so that Proofs of Claim are not deemed filed;

WHEREAS, the number and amount of Asbestos Claims against the Debtors must be determined in order to confirm a plan of reorganization for the Debtors; and

WHEREAS, a bar date for Asbestos Claims is therefore required by Bankruptcy Rule 3003, is necessary to determine the number and amount of Asbestos Claims against the Debtors, and is necessary to determine whether the holders of Asbestos Claims that have not been prosecuted for many years intend, and have a basis, to assert claims in these Chapter 11 Cases; and

WHEREAS, the form and manner of notice of bar date proposed by the Debtors is appropriate and reasonably calculated to apprise interested parties of the existence of a bar date; and

WHEREAS, the Proof of Claim form proposed by the Debtors for Asbestos Claims is appropriate and necessary; and

WHEREAS, the Court has determined that the efficient, expeditious, and fair administration of the Chapter 11 Cases requires that the other relief requested in the Motion be granted; and

WHEREAS, the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; and

WHEREAS, this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and
